The image shows two RAM modules from the Team T-Force Delta series. They are white with a distinctive delta-shaped cutout on the top edge, which is illuminated with multi-colored RGB lighting (red, yellow, green, blue). The modules are shown from a top-down perspective.	Team T-Force Delta RGB White 32GB 2x16GB 3600MHz CL18 DDR4 Gaming Ram (TF4D432G3600HC18JDC01)	Team	0	113,85 USD
